Dear Sir,

I am a pensioner of the Nizam's Government. I retired from service on 1-1-1948 and I am receiving pension at the rate of Rs. 48-49 per month. I am a member of the Regulated Pensioners Association. I have been receiving pension regularly till December 1953. But from January 1954 I am not receiving pension. I have been approaching the Accountant General's office for the payment of pension. But I am told that the pension will be paid only after the Government of India and the Government of Hyderabad settle the matter between them. I am not able to understand why the Government of India should be concerned with the payment of pension to me. I am a pensioner of the Nizam's Government and not of the Government of India
